Welcome to Fizzy’s Training Games

Balance
Level Two

There are three levels to the balance training games and this is level two. Play the games in any other until you are good at all of them before going on to level three.

Tick the boxes at the bottom of the page when you can do each game well. The games should be fun and are intended to be flexible, for example they could be played daily for 10 minutes or twice a week for 15 minutes.

Equipment list

**Balance Level Two**

1. Stand with one foot on a small soft ball and try to throw and catch a ball with your partner.

2. Try to stop a rolling ball coming towards you by placing your foot on the top.

3. Play statues: Keep very still while your partner gently tries to move you. Try these positions.
   - Swap over legs.

4. Try to keep still and balance on different parts of your body for as long as you can. Start with kneeling and then try raising one arm and the opposite leg.

5. Reach for a beanbag in a kneeling position. Gradually increase the distance, then try half kneeling.

6. Walk along a bench.

7. Walk along a bench, balancing a beanbag on a bat. Keep watching the beanbag.

8. Try walking along with a beanbag on your head. Don’t look down.

9. Walk in a line, as straight as possible, heel to toe - eyes closed, or wear a blindfold. NO PEEPing!

10. Hop on either leg.
