Ball Skills
Level Two

There are three levels to the balance training games and this is level two. Play the games in any other until you are good at all of them before going on to level three.

Tick the boxes at the bottom of the page when you can do each game well. The games should be fun and are intended to be flexible, for example they could be played daily for 10 minutes or twice a week for 15 minutes.

**Ball Skills Level Two**

**1**
Throw (the ball carefully) and catch between 2 people. Start at 2.5 metres, then try 3 metres.

**2**
Stand close to your partner. Throw and catch between you. Take a step backwards each time you catch the ball.

**3**
With a partner, bounce a ball between you. Start at 1 metre, then try 2 and 3 metres.

**4**
Practice throwing balls over-head to your partner. Do not let the ball bounce!
Remember your partner must be able to catch the ball.
Can you judge how hard to throw the ball?

By yourself, practice bouncing and catching a large bouncy ball with both hands.
Bounce the ball in front of your feet!
Do not bounce the ball too hard.

Stand in a circle with a few other people. Throw 2 balls around the circle. Try throwing in both directions around the circle. Vary the size of the circle.

**7**
Kick a ball between you and your partner or around a large circle. Remember not to use your hands!
Can you stop the ball with your foot? Kick the ball carefully back to your partner.
