

Joint Meeting of the Youth and Family Panels

19th of April
2007

Mari McLeod

- Correct Design
- Specific Needs
- Radio Lollipop.

- Test Difficult Areas
eg. Xray

- Ward support areas

- ➔ want your input.
- offward toilets + pantries for carers
- children's play areas

- Later on look at...
room layouts eg
spiritual care

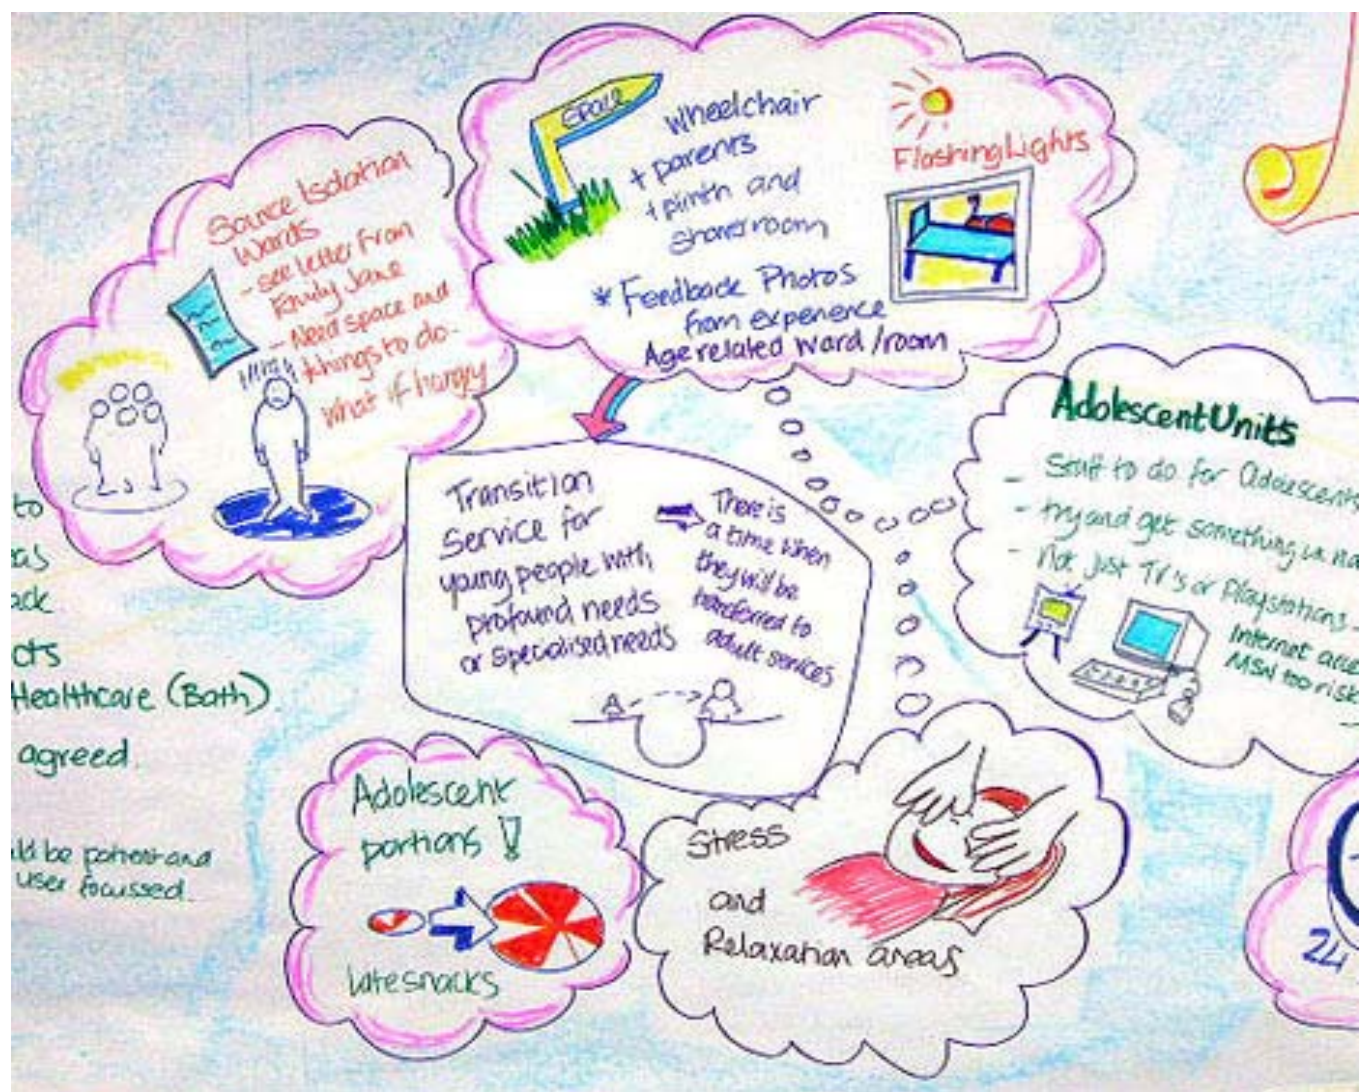

- Think out of the
Clinical box

- want detailed ideas
for a few areas...

classroom, family support

- Architect drawings mid-May
still time after that for
feedback.

Adolescent Units

- Stuff to do for Adolescents - Andrew
- try and get something in now - Margery
- Not just TV's or Playstations - Alison

Internet access -
MSN too risky

cents - Andrew
in now - Margery
ations - Alison
net access -
too risky

subtitles
needed

24 Hour

Internet
Cafe

Late night shopping
- pyjamas and
nightclothes etc

How do we get more people involved?

- * = schools - workbooks
- * SEN schools discussion groups
- * feed into local support groups.

* Community Centres

* Internet

* Different Radio Stations

* Talking Scotland 

* Feedback boxes in schools - staffed??

* Hospital Outpatients feedback boxes

* virtual feedback.

* Networks

* Sign

* The Gathering

Sometimes
Efficiency is best
for patient
needs

Transport
Plans under
way

Trams

How?

- * Big Group too argumentative
- * Feed in ideas from other groups
e.g Philadelphia Youth Panel
- * Family Panel to visit other Hospitals

⇒ see what's possible
what works, what doesn't

- * Family Panel + Youth Panel to go around and collect ideas on drawings and feedback.
- * Good to listen to architects
- * Involve Better Access to Healthcare (Bath)
- * Trial room once design agreed.
- * Shift focus -
Law says Care should be patient and user focussed.

PR
Family Panel will meet to discuss findings from hospital visits

Work on entrance areas and support areas of wards

Actions

B will email Philadelphia

Architects will come up and talk to Family/Youth Panel - give input
