- Age specific sites available in different areas e.g Youth Booth + Zone 12

→ What if you can't leave your ward eg if you have a drip?

- We would like people to walk around with a drip.
- Ask Google?

Big Problem - What sites you can access

- Beebo age 13 but con chat so might not be allowed.
- Would have to use a Yorkhill email address - Hospital has to be able to monitor what people are accessing
- Hospital only website - linked with other children's hospitals. Beaton might have something in place - problem of younger children at Yorkhill.
